

Sharing love

brings us together

#ThisIsMBC *Beneath the Breast* is changing the way everyone shares love by allowing people with metastatic breast cancer (MBC) and their partners to shed light on the impact the disease has on their relationships and families.

[Visit mbcinfocenter.com for more information.](http://mbcinfocenter.com)

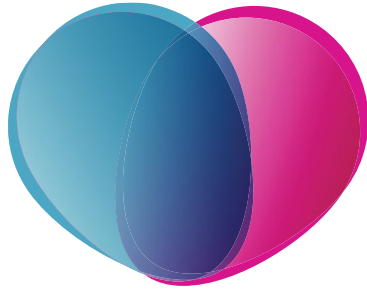

*Beneath the Breast
invites you to share the love*

Download a note card and send a message to someone you love, because sharing love brings us together.
